

Bergstresser, Neil

Donchez, Emil

Neil Bergstresser and Emil Donchez, of Hellertown and Lower Saucon Township, respectively, have arrived home on a ten-day furlough from duty at Camp Tyson, Tenn., after delays which in effect cut 15 or more hours from their leave. Unable to get away from their home station because of overcrowded trains they got off to a start about 12 hours late, and the train upon which they were riding was delayed for several more hours because of a freight train wreck on the line.
