

Roman, Eleanor E.

**First Furlough
In Three Years**

SEP 13 1944

First Lieutenant Eleanor E. Roman, R. N., daughter of Mr. and Mrs. John E. Roman, of Scholl Avenue, Gauff's Hill, arrived at the home of her parents this morning on a 15-day leave. This is the first respite she received since she entered the U. S. Army Nurse Corps March 8, 1941.

Lt. Roman, a graduate of the Allentown Hospital Board of Nursing, entered the service while doing duty at the Allentown Hospital. She was transferred, after her basic training, to Iceland, where she spent two years. For the past year she has been stationed at the Station Hospital in England, where she ministered to the wounded in battle.

After her furlough Miss Roman will return to England to continue her nursing duties.
