We're for Kiera

We're proud and pleased to introduce the "We're for Kiera" campaign—a collection of some wonderful testimonials from members of our community.

"As a young person in Bethlehem, I trust Kiera to maintain and improve this city for my generation. She truly cares about each and every person in Bethlehem. Throughout this pandemic, Kiera has been there for our small businesses, and she has the understanding and knowledge to lead Bethlehem back into a flourishing economy. This is why I am so proud to be working on the team to elect Kiera Wilhelm to Bethlehem City Council!" - Gavin Zavatore, Campaign Intern at Kiera for Bethlehem
