He participates in the Appalachian Mountain Club, launched the now annual Monocacy Park Day, brought into being the Monocacy Creek Watershed Coalition, and tours with Vote Common Good.*

Gadfly:

I had no idea we had these problems at the warehouses. Here's the message I sent Governor Wolf. I need to think more about this.

Dear Governor Wolf,

Please read this plea from Bethlehem City Councilwoman Olga Negron about workplace injuries and the COVID-19 danger to warehouse workers in the Lehigh Valley. What can we do? How can we protect these workers? How can I help? Thank you.
