### Receives Wings

Carl J. Fuenfstueck, this city, recently received a much coveted pair of pilot wings and was commissioned a Second Lieutenant in the United States Army. This event marks the completion of one of the most rigorous courses of training prescribed by the Army Air Forces Training Command. He entered the Army Air Forces last year as an Aviation Cadet and was sent directly to the classification center at Nashville, Tenn., where he was chosen as potential pilot material. From there he went to an Army Air Forces Training Command Pre-Flight School where he underwent arduous toughening-up exercises and study. He received his primary and basic flying training at various training fields in the Southeast and was then sent to the Army Air Forces Advanced Flying School at Marianna, Florida, for two months intensive course in single engine flying tactics and operations. Lt. Fuenfstueck is the son of Mr. and Mrs. William Fuenfstueck of 536 Broadway. He attended Fountain Hill High School.
