1943

Kenneth E. Werkheiser, son of Mr. and Mrs. George Werkheiser, New Street, was recently promoted to the rank of Sergeant. He is stationed somewhere in England. He received his basic training at Keesler Field, Miss., and graduated from there as an airplane mechanic and later from the Vega Aircraft factory at Burbank, Calif. He was inducted September 19, 1942, and was formerly employed in the Lehigh Plant storehouse at the Bethlehem Steel Company.
