

An easier way to contact

The Bethlehem Gadfly Affordable Housing, Neighborhoods, Southside August 1, 2019

(Latest post on such topics as Neighborhoods, Southside, Affordable Housing)

‘Tis very easy to email Seth Moglen (moglen@lehigh.edu) regarding the Bethlehem Residents for Responsible Development (BRRD).

But Gadfly is also urging you to email the Mayor and City Council with Kim’s “We all need you to support viable neighborhoods on the Southside, NOW.”

Contact info is on the Gadfly sidebar.

Mayor is easy: rdonchez@bethlehem-pa.gov

But sending to all those Council members? A little less easy.

Suggestion.

Send one email to City Clerk Robert Vidoni: cityclerk@bethlehem-pa.gov

And ask that it be forwarded to all Council members.

One step.

Now that’s easy.

No excuses.
