

Strauss, Granville J.

Advanced
JUL 7 1944

Granville J. Strauss has been advanced to fireman first class, according to word received by his father, Titus Strauss, of Hellertown. He is in the amphibious branch of the Navy and at the present time is somewhere in England. Fireman Strauss received his boot training at Sampson, N. Y. and before entering the service was employed by the Bethlehem Steel Company in the Rolling Mills, as a crane operator.
