

Kelly Jr., Henry F.

Wins Silver Wings

FEB 14 1945

Among the young "hell from heaven" men who won their silver wings last week at the Big Springs Bombarding School in Texas was Henry F. Kelly, Jr., 1019 Broadway, who received his appointment as a flying officer in the Army Air Forces.

Flight Officer Kelly was employed in the Bethlehem Foundry and Machine Company plant before entering the service. His wife is a WAC stationed at Fort Sam Houston, Texas. He and other men received the best training in the world and now will leave the AAF Training Command each to become a member of a combat crew.
