

# “The Pollinators” film

The Bethlehem Gadfly Climate Action Plan, Environment, Environmental Advisory Council, Serious Issues October 22, 2019

 *The latest in a series of posts relating to the environment,  
Bethlehem's Climate*

*Action Plan, and Bethlehem's Environmental Advisory Council* 

Re-posted from LVMM Friends Facebook page:

On Wednesday, Nov. 6 at 6:30, at the Promenade Theater in Center Valley , “The Pollinators “ will be shown, IF enough tickets are sold in advance. Buy tickets at On Demand Films, search film title and state. This is an informative and beautiful documentary, including the role of migratory beekeepers from our state. As the Beeman says, “Save the bees, pollination, food for us!”
