The Bethlehem Gadfly Climate Action Plan, Environment, Environmental Advisory Council March 31, 2020

 *The latest in a series of posts relating to the environment, Bethlehem's Climate*

Action Plan, and Bethlehem's Environmental Advisory Council 

Gadfly:

Most readers probably are already aware, of course, that Bethlehem EAC's ban [of single-use plastic bags] was banned by the state, part of the legislature's ongoing practice of protecting business interests — no matter how much harm is done to people, wildlife, and the environment.

Those with an interest in such things might also want to take a look at these recent internship projects:

- Sustainability for Cafés and Restaurants [www.sustainlv.org/focus-on/sustainability-for-cafes-and-restaurants]
- Climate Action Planning for the Lehigh Valley [www.sustainlv.org/focus-on/climate-action-planning]

(More sustainability-related projects at: www.sustainlv.org/act-locally/internships-with-the-alliance/reports-posters-articles-by-interns)
