In Pacific Theater**

FEB 19 1945

Friends in this city today learned that Captain Harry K. Trend, Chamber of Commerce secretary-on-leave, has been named liaison officer on the staff of Major Gen. L. E. Woods, of the Fourth Pacific Air Wing in the Pacific theater of war.

Captain Trend's appointment came after six months of service with the Marine Corps in the forward combat zone and is a result of his knowledge of the conditions in island warfare.
