

Henriques, Armand

Double Event

Two events have been celebrated recently by Armand Henriques (above), soldier in the U. S. Army Air forces. Henriques, son of Mr. and Mrs. John Henriques, 23 Princeton Avenue, Bethlehem, has just received his private first class stripes and celebrated his 21st birthday Tuesday. Henriques was inducted in February and assigned to the Air force. He trained at the Army Clerical School at Salt Lake City, Utah, and upon graduation was assigned to the Army Air Base at Mountain Home, Idaho. The young soldier has always taken an interest in home doings and has had several letters in the Globe-Times "Public Opinion" column. Recently, when Nick Gonzalez was killed in a motorcycle accident, Henriques wrote advising safe driving and for it was the recipient of a communication from the Lehigh Valley Motor Club commending him. He also received a gift from the club. Pfc. Henriques is married to the former Loretta Adrioli of Bethlehem. He is a former Steel Company employe.
