

Hilbert, James

EMBRYO FLIERS TAKE TESTS.

SEP 9 - 1942

The Army's traveling aviation cadet board attained a new high for the number of men examined in Allentown in a single day when 80 aspirant fliers took the mental screening test at the post office recently.

Lieutenant Leslie H. Geisinger, officer in charge, said that of the number taking the test, 41 completed it successfully. They will be given physical examinations in the near future.

The same day, 15 young men who had successfully completed their mental and physical requirements were sworn into the Air Force Enlisted Reserves.

These included: James Hilbert, Bethlehem; Carroll Appleman, Bethlehem; Woodrow Dutt, Bangor; Jerome Merkel, Fullerton; Robert Bis-tritz, Bethlehem; Peter Pokrifcsak, Martins Creek; Arthur Haring, Martins Creek and David Ottinger, Bethlehem.
