

# Reimagining the Gadfly

The Bethlehem Gadfly Uncategorized March 20, 2021

Following up last post.

Good time to remind that this gadfly folds wings May 19, the day after the election.

Three years. Term limits good. Time for new ideas.

Part of the reason he started had to do with the declining state of mainstream journalism.

And the ascending need for citizen journalism.

Every town needs a gadfly.

This gadfly hopes the project will continue.

Will some one take over? In fact, it could be more than one person. The Gadfly need not be the work of one person.

'Tis time to think about new approaches, formats, goals.

Incentive: will continue to fund the WordPress platform for a year or two.
