

Solt Jr., George A.

## Promoted

After 16 months overseas duty, George A. Solt, Jr., son of Mr. and Mrs. George Solt of 36 Wall Street, has been advanced to the rank of first lieutenant, it was learned by his parents this morning.

Lieut. Solt, a 1933 graduate of Liberty High, received his commission as a second lieutenant at Belvoir, Va. His first training was taken with the R. O. T. C. at the University of Alabama, where he was studying aeronautical engineering prior to his induction in May, 1942.

At present, Lieut. Solt is a member of the 820th Aviation Engineers with the invasion forces in Normandy. His wife, the former Nellie B. Cornelius, of Tuscaloosa, Alabama, is expected soon in Bethlehem with their 15-months-old son, George Allen, born just after Lieut. Solt's departure for overseas.
