

Santee Jr., Delbert K.

**D. K. SANTEE, JR., CALLED  
FOR SERVICE IN AIR CORPS**

7-17-1942  
**Recently Qualified for Commercial  
Pilot's Instructor's License.**

Delbert K. Santee, Jr., son of Dr. and Mrs. D. K. Santee, Bella Vista Farm, has been ordered to report Monday at Philadelphia for induction into the engineering department of the United States Army Air Corps. He will be assigned to Chanute Field, Illinois.

Mr. Santee, who graduated from the Virginia Military Institute two years ago, where he took cavalry, has since completed a course at the Boeing Aeronautical School at Oakland, Calif., and worked in the United States Navy Yard, Philadelphia, under civil service.

Only recently he finished a course of instruction which qualified him for a commercial pilot's instructor's license at the Allentown-Bethlehem Airport, and just this past Monday he began duties there as an instructor. He expected to be called into Air Corps service next month but the summons came Thursday. He is a graduate of Liberty High School.
