

Becker, Stanley J.

Naval Graduate

Stanley J. Becker, S 1/C, was awarded his diploma November 8, after graduating from Electrical Machinery and Radio Material School at Great Lakes, Ill. and has since been transferred to the Naval Research Laboratory located in Anacostia, Washington, D. C. to resume training in Radar and Sonar.

S 1/C Becker, the son of Mr. and Mrs. Stanley Becker, 533 Park Place, was inducted April 17, 1945 and was sent to Camp Dewey, Ill. to receive his boot training. After completing the assigned course there, he was sent to pre-radio school at Herzl Junior College in the same state.

His wife Grace, and their daughter Frances, reside at 17 Bachman Street, Hellertown. Before his induction, he had completed a course in ultra high frequency radio communication at Muhlenberg College. He graduated from Hellertown High School with the class of '33.
