The Bethlehem Gadfly Gadfly's posts, Neighborhoods, Northside 2027, Serious Issues December 27, 2018

*(the latest in a series of posts on Northside 2027 and on Neighborhoods)*  
Gadfly never thought blogging would keep him so busy.

Trying to catch up.

Martha's post on William Penn school reminded me that I missed a Northside 2027 meeting in November because I wasn't on the mailing list.

Won't happen again.

The project has a web site now with a place to sign on.

Why don't you sign on, even if you are not living in the area.

See what ideas are developed there that might be applicable elsewhere in the city.
