

Morykan, George

New Corporal

George Morykan, son of Mr. and Mrs. John Morykan, 1136 Furnace Street, Hellertown, had a three-fold celebration the past week-end. After being with the Army four months, he was home on furlough, he observed his birthday Sunday—and brought news that he had been promoted to corporal.

The soldier was a rigger for Bethlehem Steel Company before he entered the Army. He is stationed at Camp Edwards, Mass.
