**BETHLEHEM RESIDENTS VISIT SON AT FOSTER FIELD, TEXAS**—"You buy 'em, Mom and Pop, and I'll fly 'em"—that could easily be what Anthony R. Carcione is saying to his parents, Mr. and Mrs. Basil Carcione, 1917 Huntington Avenue, this city. The elder Carciones went to Victoria, Texas, for the graduation of their son at Foster Field. He recently received his second lieutenant's commission and flying officer's wings at the new fighter school. Looking on is Miss Pauline Holland, of Victoria, Texas.
