**BROTHERS, NOW SERGEANTS,  
ENJOY REUNION HERE**

Sergeants Michael and John Kost, sons of Mr. and Mrs. Peter Kost, 1530 East Second Street, recently enjoyed a happy reunion while both were visiting their parents here. It was their first meeting in a year.

Sergeant Michael Kost, who is in the Marines, was promoted to his present rank in 1940 and expects shortly to receive appointment as staff sergeant. He is 25 and is now stationed at New River, N. C. Prior to enlisting he was employed by the Bethlehem Steel Company.

Sergeant John Kost enlisted with the National Guard when it was called into the federal service, joining Battery C, 213th Regiment, Coast Artillery, A. A. Shortly afterward he was made First Cook and a few months later became mess sergeant, which rank he still holds. He too was employed by the Bethlehem Steel Company before enlisting. He was married February 7, 1942, to Miss Mary Bokan, of this city, in a military ceremony performed in Brooklyn, N. Y., which members of the regiment and friends from this city attended. He is stationed in the New York area.
