

Terplan, Emerich

New Rating

Emerich Terplan, 412 Summit Street, received word of the recent promotion of his son, Frank J. Terplan, to Technician Third Grade.

T/3 Terplan left the States in October, 1944 with the 613th Field Artillery and arrived in Melbourne, Australia November 7. He was then shipped to Bombay, India, and on to Calcutta and Burma where he joined forces of the famed Mars Task Force. After opening the Lido Road, his company went on to Kunming, China and Shanghai, where he is now located.
