

More, John A.

IN TRAINING AT LEHIGH.

DEC 1 1942

John A. More, 638 Eighth Avenue, and Bertram F. Shiner, 804 Wood Street, this city, are receiving their initial training in ground work and flying at Lehigh University. Both are enlisted in the United States Naval Reserve as aviation cadets. Groundwork is taught by the university's department of mechanical engineering; engineering by the school's regular faculty members.
