

# Homecoming this Wednesday!

The Bethlehem Gadfly Uncategorized October 22, 2018

Good Gadfly followers:

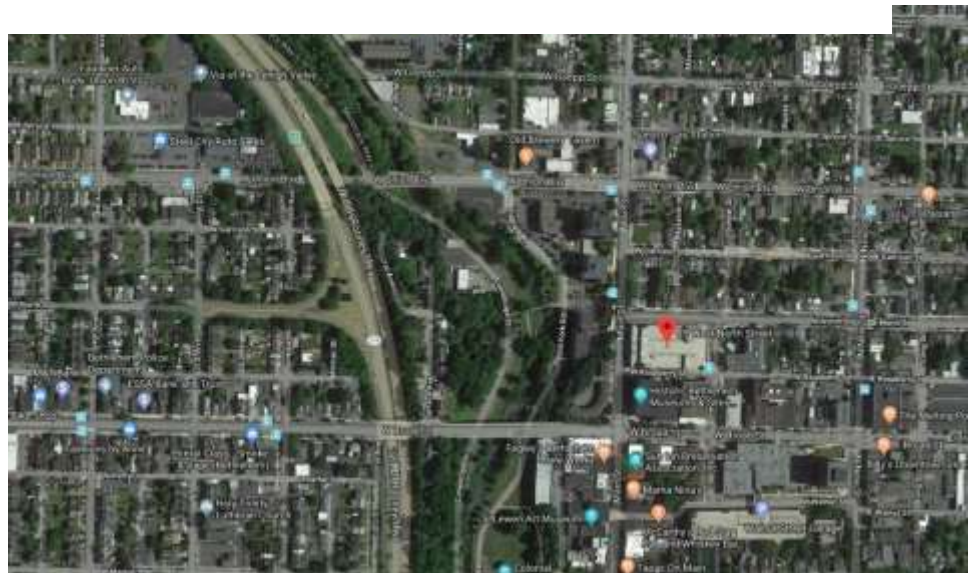

Gadfly is so excited at the chance to meet many of you down near Broad and Main Wednesday at 4.

No, silly, not at the Brew Works but at the Bethlehem Parking Authority digs at Main and North.

Better than the Brew Works, a chance to hang out with some of the most well known names in Bethlehem and the Lehigh Valley:

Cantelmi  
Cunningham  
Hoffmeier  
Kounoupis (Billy  
K!)  
Morganelli  
Broughal

A regular Who's  
Who! Don't miss!  
I know, I know, you  
will think me a bit  
obsessive about directions to the get-together, but I thought I would add  
the satellite shot for the convenience of you long-distance commuters:

The building's hard to miss. In fact, it'll be a bit like going home. You helped pay for it. Don't lie.
