Gadfly recommends the [video](#) of last night's Reynolds mayoral campaign Town Hall, also featuring City Council candidates Grace Crampsie Smith, Hillary Kwiatek, and Kiera Wilhelm.

Over the next few days, Gadfly will carve out and present pieces of the action for better focus.

There will be another Town Hall next Wednesday April 14, featuring Council candidate Rachel Leon.

Yard signs and endorsements are bloomin', but Gadfly counsels to always go beyond them to first-hand knowledge of the candidates and the issues! Think for yourself! Gadfly will try to provide the raw material.
