

Toth, George

Made Sergeant

George Toth, U. S. Army, son of Mr. and Mrs. John Toth of 658 Clearfield Street, Freemansburg, now wears the chevrons of a sergeant. Information relating to his promotion was embodied in a letter received by his parents. A graduate of Bethlehem Technical High School, he was inducted into the armed forces in April and received his training at Camp Mackall, N. C. A brother, John, machinist's mate second class, is serving with one of the Navy units, somewhere on the high seas. While attending Bethlehem Technical High School, the brothers were members of Bethlehem High's varsity soccer team. John has been in the country's service for the past 17 months.
