

Gordon, John F.

OUT OF HOSPITAL

Lt. (j. g.) John F. Gordon, former resident manager of the Hotel Bethlehem, has just been discharged from a hospital at San Juan, Puerto Rico, where he has been stationed for the past several months. His hospitalization was necessitated because of an ear abscess.

Lt. Gordon, formerly of Slatington, enlisted in the U. S. Navy earlier this year and received his preliminary training at Quonsett, L. I. Because of his civilian life hotel management training, Lt. Gordon, in Puerto Rico, was placed in charge of mess management.

During Lt. Gordon's enlistment period, Mrs. Gordon and their daughter, Judith, are making their home in Slatington.
