### **Sid Wormser Ends Basic Training**

Sidney J. Wormser, former credit manager at St. Luke's Hospital, Bethlehem, who enlisted last July in the U. S. Army as a buck private in the field artillery after resigning his commission in the Officer Reserve, has now completed his basic training and is a member of the ASTP at Chaffey College, California.

Wormser, a married man, communicated this news to friends in this city along with the news that his father, aged 90, had died at his Pittsburgh home while he, Wormser, was enroute from California to see him. The father got the telegram

telling him that his son would be in Pittsburgh shortly just a half hour before he died.

Wormser is a graduate of Carnegie Institute of Technology and is taking a course in engineering at Chaffey. His wife is living in Pittsburgh.
