

Coffey Jr., Edward J.

**PVT. EDWARD J. COFFEY, JR.,
NOW AVIATION CADET**

Edward J. Coffey, Jr., son of Mr. and Mrs. Edward J. Coffey, of 1130 North New Street, arrived at the Air Forces Weather Training School at Grand Rapids, Mich., a unit of the Army Air Force Technical Training Command, Major General Walter R. Weaver, commanding, to start his training as an aviation cadet.

Cadet Coffey graduated from Lehigh University. In civilian life he was an experimental combustion engineer employed by Bethlehem Steel Company.
