

Budura, Paul

Made Captain

Dr. Paul Budura, son of Mr. and Mrs. Gabor Budura, 1529 East Second Street, was recently advanced to the rank of captain in the Medical Corps of the Army Air Forces, according to word received by his wife, now residing in Perry, Florida.

Capt. Budura is at present assigned as flight surgeon at the Army Air Base in Perry, Florida. He attended Liberty High School, Lehigh University and the University of Pennsylvania medical school. After an internship at St. Luke's Hospital, he was surgeon for one year in the Buffalo plant of the Bethlehem Steel Company.
