

L. C. Atwood

Col. L. C. Atwood In Utica Hospital

Col. L. C. Atwood, U. S. Army, of 320 West North Street, invalided home after 22 months active duty in Africa, Italy and Corsica, has been transferred from the Stark Hospital at Charleston, N. C., to the Rhodes General Hospital at Utica, N. Y., for a three-month rest.

Today, Mrs. Atwood and Col. Atwood's mother, Mrs. Charles Atwood of Millburn, N. J., left for Utica to visit Col. Atwood. Suffering from a tired heart as the result of steady campaigning for nearly two years, Col. Atwood will be required to rest until completely restored in health.
