**U. S. Navy Advances Fountain Hill
Sailor for Action Off Bataan.**

A Fountain Hill man and another from Phillipsburg, N. J., who were among the 13 sailors listed as missing after service in the Philippines with a motor boat squadron, have been advanced in rating for meritorious conduct, the Navy Department announced Wednesday.

Decorated by the War Department for their work in action off Bataan, as previously reported, they are John Shambora, boatswain's mate, 1127 Russell Avenue, Fountain Hill, and Steward Willever, Jr., radio man of 1403 South Main Street, Phillipsburg, N. J.

Shambora, a son of Joseph and Anna Shambora, enlisted in the Navy 18 years. Last May he was one of a group of Pennsylvanians awarded the Army Silver Star for service in the Navy's torpedo boat squadron that carried General Douglas MacArthur and his party from Corregidor to a bomber that flew them to Australia.
