**67TH INDUCTEE IN 26 1943**

Walter D. Kennedy, 917 Spring Street, accepted for the U. S. Army service Wednesday at Allentown, was the sixty-seventh Moravian College undergraduate to be inducted since the college year opened last September.

Private Kennedy, on a week's furlough before reporting to the New Cumberland reception center at New Cumberland next Wednesday, completed the first eight-weeks' term of the present semester last weekend.

Almost one-half of the sixty-seven students have been called up since the end of the first semester in January.
