

Hanner, Frank A.

## Cadet Graduate

JUN 7 1945

Cadet Frank Alios Hanner, son of Mr. Frank Hanner, of 1007 Seneca Street, Bethlehem, Pa., was among the graduates in the sixth war time Commencement Exercises of the Valley Forge Military Academy here this morning. He was one of 61 members of his class to graduate on schedule, 43 others having won accelerated diplomas last summer before joining the armed forces. A further 60 are scheduled for advance graduation this year on completion of the accelerated course in August.

Major General Milton G. Baker, the superintendent, reported the most successful year in Academy history, and expressed his conviction that the future of the essential military institutions was assured by the magnificent record of service in the present conflict.

Cadet Hanner, in addition to having been a gold star student for the past two years, has served as captain of Valley Forge's famous marching band. He has been prominent in Company athletics and club activities, and was a member of the Anthony Wayne Legion Guard, Honor Company of the Corps.
