## Bethlehem Food Co-Op

**A Fun Idea**

We have all joined the Bethlehem Food Co-op for a Reason!

We would like to compose a video of members holding a small sign that answers the question, "Why I Want a Bethlehem Food Co-Op".

- Use a piece of 8.5 x 11 paper - white or colored is OK - and print clearly and large enough to read. Use markers or crayons (not pencil) - printing it off your computer is OK too. Remember: just the answer, you don't need to write the question.
- Take a photo of yourself holding the sign - others in your household are of course welcome to join in. (A still photo - not a video.)
- Send your photo to [move@bethlehemfood.coop](mailto:move@bethlehemfood.coop) by Friday, May 1.
