Meet After 3 Years Separation

LIUET. BENEDICT STAFFIERI PFC. EDWARD STAFFIERI

Mr. and Mrs. E. Staffieri, 1203 New Jersey Avenue, Hellertown, were informed that their sons, Private First Class Edward Staffieri and Second Class Benedict Staffieri, met for the first time in over three years. Pfc. Edward is stationed with the Engineers and Lieut. Benedict is with a combat unit of the AAF in England. Although they had been on furloughs several times since entering the service they had always missed seeing each other by a few days. Benedict is a graduate of Hellertown High School. He attended the University of Alabama and Lehigh before enlisting in the Air Corps, December 13, 1942. He received his commission last year and was sent overseas to England in December. Edward also a graduate of Hellertown High School, was inducted November 19, 1943, and sent to the New Cumberland station. He received his training in Texas and Virginia before going overseas about the same time as his brother. Another brother, Richard, recently completed his boot training at the Sampson Naval Training Station in New York.
