

Hettenbach, C. F.

Now a Corporal

Corporal Technician C. F. Hettenbach, a member of the Engineer's Battalion, stationed at Camp McCain, Mississippi, has been advanced to his present rank, according to word received by his wife, of 243 Franklin Street. Corp. Hettenbach entered the service March 27, 1944, and was a member of Battery C of the 213th until the time they went into active duty. He served with his battery for 13 years and eight months. He recently completed a course on compressors.
