DEC 30 1944
At an impressive ceremony at a base somewhere in Italy, Maj. Gen. Nathan Twining pinned the streamers of a Distinguished Unit on the standard of the 460th Bombardment Group for its "outstanding performance of duty in armed conflict with the enemy."

The citation accompanying the award read in part: "The gallant crews pressed the attack and inflicted grave damage to the objective, depriving the enemy of one of his most important fighter assembly and repair bases."
