Nazareth Seaman Calls Mother From New York Hospital

AUG 3 1944

Mrs. John Cabeza, 144 South Main Street, Nazareth, received a telephone call from her son, Seaman 2-c Anthony Cabeza, yesterday, from a hospital in New York. He stated that he arrived in New York by plane from England and that he expected to stay in the hospital for ten days. He did not give the nature of his wounds, but in a letter from England he had stated that he received some burns in action.

Seaman Cabeza, who is 17 years of age, has seen action overseas since January of this year. He received his boot training at Sampson, N. Y., having enlisted in November, 1943.

His father, John Cabeza, enlisted recently in the Merchant Marine and is now somewhere overseas.
