

# Let's discuss "Reimagining Community Policing"

The Bethlehem Gadfly George Floyd killing March 27, 2021

 *Latest in a series of posts in the wake of the George Floyd murder* 

You know Gadfly would be in a front row seat for this if we could be seated.

You know he feels these are the kinds of discussions we ought to be having.

Given the host organization, this event should be . . . thought-provoking.

You haven't forgotten the related discussion coming up at the **Hispanic Center** April 12, have you?
