SEP 18 1945

A contingent of young men, the September quota of Local Draft Board No. 1, left this morning for the Wilkes-Barre Induction Center for induction into the country's armed forces.

John O. Griffiths, president of the Bethlehem Tobacco Club, greeted the embryo servicemen in the recreation room of the South Side municipal building. After distributing a service kit and a luncheon, they left for the railroad station. Before entraining they each received a luncheon kit from the Salvation Army.

The group included John C. Parenti, Edward P. Graf, Edward H. Martin, Harvey E. Sacks, Bruno M. Kozero, William L. Donsecz, Anthony DelGrosso, John B. Pierog, Jr., George Cooley, Anthony V. Meillinger, Geza F. Walczar, Stephen L. Pinter, Alfred A. Cruciani, Domenic F. DeNofa and William E. Rogers.

Of the above number, eight are 18 years of age. Bruno Kozero was the acting corporal.

On Friday the board will send a group to the Wilkes-Barre Induction Center for a pre-induction physical examination.
