

The Lehigh Valley Good Neighbors Alliance also in full-court press as budget vote nears

The Bethlehem Gadfly Budget, Lehigh Valley Good Neighbors Alliance, Police November 30, 2020

🦋 *Latest in a series of posts about the Bethlehem Police* 🦋

“The Lehigh Valley Good Neighbors Alliance is a community of civic-minded individuals

who raise awareness about important local issues and coordinate

effective community action.”

Let it not be said that there is only one full-court press going on as the budget process heads to the goal.

Gadfly **has reported on** the full-court press being applied by **Lehigh Valley Stands Up** on City Council for modifications in policing and reallocation of the police budget.

The Lehigh Valley Good Neighbors Alliance is employing a counter-insurgent full-court press, as evidenced by their **petition**, their

appearance on **local radio** today (in 40 minutes from the publication of this post), and their call for public comment at upcoming City Council meetings.

Done, it is disturbing that our local government has even thought about it. The city of Bethlehem police Department is one best police Department's.

Jose L. Garcia Sadly, council hasn't just thought about it. They are clandestinely supporting it.

Done. This is absolutely disgraceful that they would even consider this.

Deborah Snyder We agree. Equally disgraceful is the way they repeatedly use the police whenever they want or need them. We've learned that this council uses police to deliver their meeting minutes / packets directly to their homes. They want to defund the police but they want them to be their personal servants as well. Shameless hypocrites.

Lehigh Valley Good Neighbors Alliance my personal opinion, I truly believe that if we are there on Tuesday with as much support that we could get, we will be successful. I am willing to do my part, I just need help to make a success on behalf of the men and women in uniform. I have the experience to do it, please help and let's do it.

Jose L. Garcia. Just to be clear, Jose, because of Covid, this City Council meeting will be virtual. So we can all watch the meeting on line and call in from home. Check out this post for more info:

City Council is meeting Tuesday night at 7pm. This might
be the last chance we have to stop this insanity.

If you go to the November 9th meeting and at 3:59:00
mark, this is the point in that meeting where the open
comments start for the police budget. Terribly alarming
to hear only defund the police activists calling in.

Scott McGowan We agree Scott. They also overwhelmed the November 17th meeting. It's time for the silent majority's voice to be heard. This Tuesday December 1st during the Public Comment portion of the meeting is our opportunity to be heard. Thank you for posting this!

As if Defunding the Bethlehem Police isn't enough, one of Bethlehem's Council Members, Olga Negron, is trying to take down 911 as well.

"I just think we need to think about 911 in a different way than we are doing it because it's obviously not working for us," Olga Negron said.
