Gadfly,

Perhaps if Mr. Callahan would have been much more supportive of the comprehensive ethics ordinance advanced by Councilwoman Negron, and worked on by a number of residents, a process would have been put in place to address an issue such as this.

No retribution, confidentiality, a review board, all these features would have existed thereby providing a mechanism for dealing with this kind of matter.

Dana

Dana speaks of a proposal debated in 2017. More on it later.
