Giving Tuesday – 12/1

The SouthSide Arts District wants to become the Lehigh Valley’s mecca for public art.

Each year we work tirelessly to create opportunities for local artists to transform our streets into their canvas. And in 2021 we want to create a Street Mural at 3rd and Adams streets...but we need your help! Please consider donating to help us reach our goal to make this project a reality in 2021!

“To me, I love the eclectic, diverse, family that we are in the South Side. It is the kiddos from Broughal practicing on their field, it is the Lehigh student sitting in the UC front lawn, it is the incredible skate park and both the kids and adults practicing some gnarly moves, it is the Roger Hudaks, Marianne Napravniks, Winston Alozie that are the heart and soul of our community. To me it’s the local businesses that consistently show up and give to our community and work tirelessly to make our community the best it could possibly be . . . it is our local non-profit leaders that continue to fight the good fight and meet our community needs. Southside is resilient. And I wouldn’t want to be anywhere else.”
