

Reph, Raymond E.

Ship's Cook 3/c

Friday evening, Raymond Edward Reph telephoned his mother, Rev. Mary A. Reph, 1514 Madison Ave., of his recent promotion to Ship's Cook 3/c. He is stationed aboard the USS Creon, II in Pearl Harbor.

S.C.3/C Reph has been serving in the Navy for a year. He received 6 months training in the ROTC at Chatanooga, Tenn., and was later sent to the Great Lakes Naval Training Station before going to the South Pacific.

The young "gob" attended Liberty High School and prior to entering the service was employed by Marie Edward's and the Bethlehem Steel Company. His brother, Cpl. William Hawk, left France several days ago and is on his way home.
