

Cuchran, Louis S.

**Artillery Officer
Malaria Patient**

AUG 13 1945

Lieut. Louis S. Cuchran, veteran of 25 months overseas duty with the Field Artillery, returned to the States recently where he will be treated for recurrent malaria. Lt. Cuchran served as an artillery observer with the 36th Texas Division during four major campaigns, Naples, Cassino, Rome, Arno, Southern France and Northern Germany. After completing a convalescent furlough, he will return to Camp Edwards Convalescent Hospital for treatment. His wife, Norma, resides at 531 Selfridge Street.
