

Bradley, Robert

Assigned To Classes 1943

Lieut. and Mrs. Arnold Belcher, Weaversville, have received word that their son, Staff Sergeant Robert Bradley, has been assigned to attend classes in mechanical engineering at the University of Michigan for the next 21-month period.

Appointment followed his successfully passing of specialized training examination given recently at his station at Camp Campbell, Ky.

Sgt. Bradley is a graduate of the Northampton High School and had completed a year of collegiate training when inducted into the service.
