## J William Reynolds for Bethlehem

13h · 

[Grace Crampsie Smith for Bethlehem City Council](#) is the type of leader that every community needs.

She is passionate, accessible, and driven to create a city that is built for everyone.

During my time on City Council, it has been wonderful to work with Grace on the issues that she is dedicated to including creating more affordable housing, engaging our community, and maintaining our high quality of life.

I am honored to receive her endorsement as she represents the best of our city.

Thank you Grace!
