### Draft Board No. 3 Sends Contingent To Armed Forces

SEP 28 1944  
Draft Board No. 3 this morning sent a contingent for the armed forces to Wilkes-Barre.

The men were: Kenneth F. Behler, 606 Third Avenue; John O. Stair, 416 Grandview Boulevard; John W. VanKeuren, 526 Thirteenth Avenue, and Orlo J. Orner, 915 Tilghman Street, Allentown. Orner acted as leader.

At a farewell meeting held at the draft board's headquarters, 713 Eighth Avenue, last night, Dale H. Gramley, editor of the Globe-Times, told the group that all efforts have been made to make the training, service, and return of servicemen profitable to them and to the welfare of the community.

S. K. Weaver, chairman of the board, member Frank R. Collie, and draft clerk L. R. Drown also spoke briefly to the men. Clarence Moyer distributed tobacco kits from the Bethlehem Tobacco Club.

The board announced today that George Weiss, 715 Second Avenue, who left Tuesday for Wilkes-Barre with a contingent for pre-induction examination, had, on his own request, been forwarded for immediate induction.
